

Dear Madam,

we invite you to undergo a mammography as part of the screening programme for the early diagnosis of breast cancer promoted by the Emilia-Romagna Region in collaboration with General Practitioners and aimed at all women aged between 45 and 74.

We propose the following appointment:

:

Please bring along **THIS LETTER** and your **HEALTH INSURANCE CARD**

<https://salute.regione.emilia-romagna.it/normativa-e-documentazione/informative-material/cancer-prevention-screening>

Please call us at [] in the following cases:

- if you underwent breast surgeries;
- if you are pregnant or breastfeeding;
- if you suffer from a severe disability;
- if you underwent a mammography less than one year ago.

We remind you the following:

- the examination is simple, quick, free of charge and there is no need for a General Practitioner's request;
- we will send the result of the examination in a letter and/or via FSE (Electronic Health Record);
- if further investigations are necessary, we will contact you by telephone;
- you can request a justification for absence from work;
- please bring along mammograms and any CDs taken elsewhere;
- if you have symptoms, please contact your General Practitioner directly, as the screening examination is not recommended.

Kind regards

The General Practitioner
